

TECHNICAL DATA SHEET

Bell Grease-Off

Oven Cleaner

DESCRIPTION

Grease - Off is a highly alkaline clear orange liquid oven cleaner, which contains solvents for quicker penetration of grease.

APPLICATIONS

1. Grease - Off is an effective cleaner primarily for the removal of grease, carbon build-up, oils and fats etc. from oven ranged, ovens, canopy filters, bakery racks etc.
2. Grease - Off can however be used for removal of heavy grease deposits on concrete and other alkali resistant floors and surfaces.

PRODUCT FEATURES

Grease - Off

1. is a fast-acting powerful alkaline cleaner which removes heavy grease, fat and oil build-up.
2. contains solvents which penetrate and emulsify the grease deposits, allowing the alkaline to penetrate the grease deposit.
3. complies with the requirements of specification **SABS 1255** "Oven cleaner and grease remover", for type 1

DIRECTIONS FOR USE

Ovens

1. Heat the oven or oven range to (+/-) 70 degrees and switch off at the mains.
2. Apply Grease - Off undiluted with a brush or spray bottle to the surface.
3. Allow to penetrate for about 5 minutes or longer.
4. Using gloves at all times, wipe down with a wet cloth or sponge and rinse well with water.
5. Scouring action may be necessary to remove stubborn marks.

Filters

1. Remove the canopy filters and allow to soak in a solution of Grease - Off diluted 1.0 litre in 10 litre water (1:10)
3. Rinse well with water before replacing.

PRECAUTIONS

1. Do not use on electric connections, paintwork, vinyl tiles and aluminium.
2. **Corrosive** - contains caustic soda. Avoid prolonged contact with the skin. Wear gloves at all times. Causes severe burns.
3. In case of contact with eyes, flush with water for 15 minutes.

SAFETY PRECAUTIONS AND FIRST AID

Product in eye:	Flush thoroughly with water for about 15 minutes and seek medical advice if irritation persists
Product on skin:	Rinse well with water and soap and seek medical advice if irritation persists.
Product ingested:	Drink plenty of milk or water and seek medical advice.
Product inhaled:	Move to fresh air and seek medical attention if irritation persists.

STORAGE

Store tightly sealed containers in cool, dry area away from direct sunlight and sources of heat. Shelf life of properly stored material is at least one year from date of manufacture

PACKAGING

Available pack sizes are 5 L and 25 L containers
